

## Who We Are...

The Wisconsin Motor Coach Association was formed in 1987 as a non-profit trade association division of the Wisconsin Motor Carriers Association (WMCA).

The foremost purpose of the Association is to ensure the motorcoach industry is represented before State government.

This is accomplished through the lobbying efforts with the WMCA.

The WMC has worked together to further the common interest in developing a positive business climate for motor coach operators in Wisconsin. Benefits of this association are listed below.

- Governmental Representation
- Annual Convention and Business Meeting
- Access to Seminars and Programs with the Wisconsin Motor Carriers Association

**TO JOIN THE WISCONSIN MOTOR COACH ASSOCIATION**

The association was established in 1987 as a non-profit trade association representing the interests of motor coach operators within the State of Wisconsin. The Association joined the Wisconsin Motor Carriers Association as an affiliate division, seeing that there were common interests and concerns in both groups. Through the increased lobbying power, the Association is better able to monitor numerous bills on transportation issues as well as general business issues, including unemployment and workers compensation.
